

The Talmud tells us that, "he who executes charity and justice is regarded as though he had filled the entire world with kindness."

Judaism is not only about finding God but bringing Jews together, to live in peace and with purpose. Let us stand together as one, and live generously. Be counted as a member of our community with your 2014 annual campaign gift to the Greater Altoona Jewish Federation. Gifting starts at \$18, and thank you on behalf of the executive committee.
