FEBRUARY 26th – SEPTEMBER 5
USA, 2024, drama, English, 95 minutes

The film chronicles the Munich massacre of 1972 Summer Olympics from the perspective of the ABC Sports crew and their coverage of the events. The film explores the pivotal moment that reshaped journalism, blending historical footage with a fictionalized account of the events.

Israel, 2023, drama/comedy, Hebrew/English, 104 min.

When a young Eritrean refugee to be deported from Israel is mistaken for the new foreign player of a struggling football team, his survival depends on the team's success. Despite the absence of any soccer talent, Aumari is able to cover-up and heal the divisions of his struggling team in this charming and unconventional story of new friendships.

MARCH 12th – TORN
USA, 2024, documentary, English, 75 minutes

TORN captures the emotional fallout of a poster campaign through the voices of artists, activists, and families. The film exposes motivations behind those putting up and tearing down the posters, exposing a complex proxy war fought in stickers, slogans, and torn paper.
